WAMEGO Technology Center
CREATORS SHOW & TELL
Tuesday, June 26, 2018
6:30 – 7:30 pm   Iron Clad   All Ages!

For a small fee, you can take home, work with, share about, and KEEP a kit containing some really cool tech items!

Email or call today to reserve/purchase/pick-up your item:
lindleyj@usd320.com   785-456-2214 ext 5204
Then join us June 26 at Iron Clad to show & tell what you made!

This will be an on-going program throughout 2018 thanks to these great sponsors: CAT, Central Mechanical, Coonrod & Associates, Purple Wave, Riley Construction, and WTC

Location: Wamego Tech Center
Wamego High School, Room 204

WWW.WAMEGOTECHCENTER.COM

KIT TYPES	RECOMMENDED AGE	COST
Bristle Bot Kit	Ages 4 and up	$ 5
Scribble Bot Kit	Ages 5 and up	$10
3D Pen Kit	Ages 8 and up	$15
Clay Sculpting Kit	Ages 8 and up	$10
Circuits Kit	Ages 6 and up	$10
Advanced Draw-Circuits Kit	Ages 6 and up	$15
Arduino Tinkerkit	Ages 9 and up	$15
Arduino Robotics Kit	Ages 9 and up	$20
Raspberry Pi Zero Kit	Ages 9 and up	$25
Raspberry Pi Sensors Kit	Ages 9 and up	$25

Contact Jana Lindley at lindleyj@usd320.com or 785-456-2214 x5204 to claim your kit.
Payment must be made and the kit picked up within 5 days, or it will be released to someone else.
Purchaser MUST attend the Iron Clad session to show & tell what was made.

Younger children can attempt any of these projects, but parental supervision is suggested.
Individuals, families, or even classrooms are welcome to work together on a kit. It is suggested that kids start with the Arduino Tinkerkit before trying the Robotics Kit (unless they have prior programming experience).

Purchasers of the Arduino Tinkerkit, Arduino Robotics Kit, Raspberry Pi Zero, and Raspberry Pi Sensors Kit are encouraged to attend a **Thurs., May 31** session at the Tech Center from 2:00 – 3:00 pm where we will help you download instructions, show you how to use them and laptops can be checked out for home use if needed.

THANK YOU TO OUR SPONSORS!
