Your project is to set up and program something with your Raspberry Pi Zero, and then show & tell about it at our event at Iron Clad.

Your kit contains: Raspberry Pi Zero Complete Starter Kit

Raspberry Pi Zero Kit Instructions

YouTube video link about setting it up: https://youtu.be/TUz2mVtJVsM

The Raspberry Pi -Zero -- one of the smallest "business-card computers" on the market has built-in wifi and HDMI output.   This starter kit comes with the operating system already preloaded for you. It also has a USB hub so all you need is a USB keyboard and a mouse! Included is the short introductory course on "Programming the Pi"

THANK YOU TO OUR SPONSORS!
